TRIVIA BEE WINNERS!

This year CALL prevailed and came away winners with a new team! **Sharon Kuechenmeister, Jim Romey, Gerda Smith, and Ben Pike** made up CALL Information. After a "question off", Smooth Operators came in 4th. It was an amazing night that benefitted the Literacy Alliance.

Our cheering section was Loud and Proud showing the love for both teams. They were not named the winners, but they are winners in our hearts!

You will never speak to anyone more than you speak to yourself in your head. Be kind to yourself.

CALL is in its 25th year and the Social Committee wanted to celebrate with a party that will be a little different than previous socials. CALL will have an afternoon social and will provide the food for this. It's going to be a great afternoon at the International House.

Please let Agnes Albright know if you are coming as she needs to plan the food for this event since we are not doing potluck this time. Also, if you would like to help with decorating and setting up for this event, please let Agnes know. Her committee always does a beautiful job, but they will welcome more people to help!

As always, feel free to bring your own beverage (no red wine).

Join us April 29 from 2-4pm at the CSU International House!
