Thankful for

There are people always working "behind the scenes" for CALL.

Thank you to everyone that pitches in, but a special thank you this December to **Marnie Salter**. There is so much that has to be done as treasurer and we can always depend on her for keeping our finances straight! It's so wonderful to be able to track what we have done so that we know how to plan for each event. Marnie also gets lots of mail when we have reservations to be made, such as for this December luncheon. Guess we need to thank her mailman too!
