**Birthday Luncheon**  
February 2nd at Café Amici.  
*Please do not get there early as they open at 11:30!*

All academic classes and extracurricular activities scheduled for *Monday, January 29*, were cancelled. We plan to reschedule these classes the week following the winter term, i.e., Monday, March 12. Your instructor/facilitator should have more information for you when you meet for your first class on Monday, February 5.

We are all saddened by the loss of our president, **Dr. Gavin Spence**. Gavin pursued a lifelong passion for learning. With his late wife, Gerry, he became an active member of the Columbus Academy of Lifelong Learning where he served as President, arranged social gatherings, and led courses in subjects ranging from Organic Chemistry to Broadway musicals. An avid Jeopardy fan and Trivial Pursuit champion, it should come as no surprise that he also helped to organize CALL's annual Trivia Bee Team. His love of music was a major part of his life, one he shared at some of our socials.

He will be missed.

"I'm a little groundhog, it's my day.  
Wake and stretch, go out and play.  
Down in my burrow, down so deep,  
Time to wake, from my long winter's sleep.

Grumble, grumble, scratch, scratch,  
Grunt, grunt, yawn.  
I'll eat my breakfast in your front lawn.  
I'm a little groundhog, it's my day.  
Wake up and stretch, go out and play.'
