If you want to see pictures or find out information about activities like A Walk in the Park, the Book Club, Trips, and Socials...be sure to visit www.columbuscall.org.

We are an organization that runs on the power of volunteers. Please keep this in mind as we still have much to do during the Spring and work needs to happen on the 2018-2019 year! Volunteer to help with a committee or chair a committee! Maybe co-chair with a friend? How about teaching a class or facilitating one of the Great Courses for us? What hobbies or interests do you have that might be something others would be interested in? Visit board meetings to learn more about what goes into keeping CALL running!

We all get heavier as we get older, because there's a lot more information in our heads. That's my story and I'm sticking to it.
