

PICTURES, PICTURES ,PICTURES!

Some folks have been asking about pictures .

They are

available on the website
www.columbuscall.org.

They have not been
emailed in a few months
because you can down-
load them from the site.
They are sorted by event
and are up within a day of

events. Thanks to Ken and Paul for taking pictures.

If you have pictures to share, please get them to Paul

DeCurtis so he can upload them.
