Things I've learned.... By 90 yr old
Regina Brett of Cleveland, OH

- Take a deep breath. It calms the mind.
- Get rid of anything that isn't useful. Clutter weighs you down in many ways.
- Whatever doesn't kill you really does make you stronger.
- It's never too late to be happy. But it's all up to you and no one else.
- When it comes to going after what you love in life, don't take no for an answer.
- Burn the candles, use the nice sheets, wear the fancy lingerie. Don't save it for a special occasion. Today is special.
