

CALL Newsletter

June - July 2024

Number 28

Issue 11

Hello everyone, my name is Robin Rigdon and I am the new board member at-large. I was born in Alaska where my Coast Guard member father was stationed. He met my mother in California where she was stationed at the time (Army).

By the time I came along they already had 3 other children. I am the youngest. I have 3 grown children and 7 grands (all scattered) and numerous grand dogs and cats (yes, we count those).

I am an international tax advisor and still work daily through the Internet. Previously I was the leader for H&R Block online tax preparers in the Southeast Division. I do take the time to step away from my computer for the CALL class each day and that has been a blessing.

I love sailing and fishing. People always ask what you fish for and I am not picky...whatever hits my hook I'm keeping. LSU is my team for life. Yes, if given the chance I will trash talk your team.

I look forward to meeting as many of you as I can, so say "Hi" when we are sharing a class and let me know if you have any suggestions I can bring to the board.

USPS Blues. In addition to the problem with the banquet invitations, several members received other information through the post office very late. For this reason, we encourage members and potential members to utilize email, phone calls and word of mouth, and to visit our website for information on CALL, CALL classes, and schedules.

Also, look at the website for future Synopsis and Registration forms.

If possible, registrations and payments, as well as Event Registrations, can be completed in person at our Quarterly registrations or placed in sealed envelopes with “CALL” on the front at the Turner Center desk by the deadlines noted in our announcements.
